DD/S STAFF MEETING

3 March 1970

25X1

2. Mr. Coffey stated that Mr. Bannerman hopes to conclude his business by the weekend. We don't have a firm date as yet on his return.

The Directorate's first report on problems of meeting our personnel reductions has been sent to the Executive Director-Comptroller.

3. DD/S Admin Instruction 70-4, Overtime Work

Occasional or irregular O/T requires Office Head or general Deputy approval. It is recognized that further delegation may be desirable under certain circumstances, such as physical separation. Requests for further delegation, with justification, should be sent to the DD/S for approval.

This procedure reflects policy tightening, a movement of the approval level upward.

25X1

 Blake and Wattles pointed out that the requirement for Office Head signature on the T&A posed problems of numbers, movement of T&A's, knowledge of whether the man actually worked the overtime claimed.

Mr. Coffey indicated that he would reconsider this aspect of the Instruction.

4. Training Films

OTR has made films on Microdot, Walk-In, and Time Drops and Brush Passes. These will be shown Tuesday, 17 March at 10:30 in 1E-74. Total running time is about one hour.

It is proposed to show these films in lieu of holding a Staff Meeting. However, should there be items for Staff discussion, a meeting could be held after the film showing.
